

Pre-qualification Requirements for BWGC Events

1. Pre-qualification for all BWGC 'Majors'

1.1 Bangkok Wanderers Golf Club (BWGC) 'Majors' comprise of:

(i) The Club Championships; (ii) The Chiraprawat Cup; and (iii) The Captain's Cup.

1.2 BWGC events which **are not** regarded as 'Majors' include:

(i) The BWGC Masters; (ii) The McKenzie Cup; and (iii) The Matchplay Championship.

1.3 All BWGC members intending to participate in BWGC 'Majors' must prequalify for inclusion in the competitions. This amendment affects pre-qualifying for the Club Championships in the current year (2011), and for the Chiraprawat Cup and Captain's Cup in the subsequent year (2012).

1.4 All BWGC members intending to participate in any BWGC Major must have played in a minimum of six (6) 'Qualifying Games' in the preceding twelve-month period. A 'Qualifying Game' is defined by the BWGC General Committee as any round of golf played at an organised BWGC event which counts towards the handicap of a BWGC member.

1.4.1 The following events are recognised by the BWGC as 'Qualifying Games':

- a. The Monthly Medal;
- b. The Monthly Stableford;
- c. The Club Championships;
- d. The Captain's Cup;
- e. The Chiraprawat Cup;
- f. The Masters (main event);
- g. Any strokeplay cards completed and submitted by new members qualifying for their initial handicap;
- h. Any strokeplay cards completed and submitted by 'returning' members qualifying for the reinstatement of their handicap.

1.4.2 The following events **are not** recognised by the BWGC as 'Qualifying Games':

- a. The McKenzie Cup
- b. The Magpie Putter
- c. The Meinhardt Cup
- d. Any matchplay games, regardless of whether they are played at a BWGC event or elsewhere.

1.5 With immediate effect, where a BWGC member plays in both days of any events played over a full weekend, including the Club Championships, the Captain's Cup and the Chiraprawat Cup, this will count as two (2) 'Qualifying Games'.

2. Pre-qualification for the BWGC 'Masters'

2.1 In order to qualify to participate in the BWGC 'Masters', a member must:

- (i) hold a current BWGC handicap; and
- (ii) either be a previous 'Masters' winner or have won an 'overall' or 'flight' prize (including runner-up prize in events where there are no flights) during the preceding twelve-month period.

3. Pre-qualification for the Matchplay Championship

3.1 In order to qualify to participate in the Matchplay Championship, a member must:
